

2024 MBSYEP PROGRAM OVERVIEW

Managed by the DC Department of Employment Services, the Mayor Marion S. Barry Summer Youth Employment Program (MBSYEP) is a locally funded initiative that provides District youth ages 14 to 24 with an enriching summer employment experience through subsidized placements in the public and private sectors.

In its 45th year, MBSYEP will serve 10,000 youth through workforce development. MBSYEP 2024 will begin on June 24, 2024, and end on August 2, 2024.

WHAT TO EXPECT

Participants and their families can expect an engaging and interactive summer. Youth will be paid based on successful participation at their assigned worksite.

PROGRAMMING

Financially FITDC

Financial Literacy: In partnership with the DC Department of Insurance, Securities and Banking (DISB) Money Managers Program, youth will receive financial literacy coaching. Participation in budget workshops will educate youth on becoming financially educated. Through the program, youth will learn fundamentals of budgeting and other key financial literacy skills.

Financial Industry Internships: Partnerships with the Office of the Comptroller of the Currency, Consumer Financial Protection Bureau, Federal Deposit Insurance Corporation, Federal Housing Finance Agency, National Credit Union Administration and the Securities Exchange Commission, provide youth with the opportunity to gain skills in the financial sector of the federal government.

Apprenticeships

Pre-apprenticeship and apprenticeship opportunities, in partnership with the DOES Office of Apprenticeship Information and Training, allow youth to explore careers in: Hospitality and Tourism, Construction, Information Technology, Artificial Intelligence and Healthcare.

Project Learning

Phased programming consisting of workforce development, mental health awareness training, financial literacy and a civic engagement capstone project allow youth to gain experience working in teams complete projects.

Business Development

In partnership with the Department of Small and Local Business Development (DSLBD), youth will learn from small business owners and business development professionals on topics to include business plans, branding, social media content, permits, budgeting and professional development. This Capstone Project will conclude with youth preparing a business plan presentation that reflects the skills gained in one or more of these areas:

- Virtual IT Fundamentals
- Gaming & Coding Classes
- Construction - CPT Technician
- Microsoft Office Suite Certifications
- Hospitality
- Law/Public Safety
